Dear Mr. Matthews,

I want to advise you that Ambassador William Burns departed Moscow on May 12, 2008 to return to Washington, D.C. and assume his current position as Under Secretary of State for Political Affairs. Therefore, he did not sign, nor could have signed as U.S. Ambassador, a letter on June 15, 2008. The U.S. Embassy did not prepare this letter, and disclaims any knowledge or involvement with it.

Sincerely yours,
